

Public Notice of Intent to Apply for the Nita M. Lowey, 21st Century Community Learning Centers (21st CCLC) Grant

Academia del Pueblo Elementary hereby notifies the community of its intent to apply for the **Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) Grant** through the Arizona Department of Education. This grant will support high-quality, out-of-school-time programs that provide academic enrichment and additional learning opportunities for our students.

As part of the application process, we will ensure that all required documentation, including any waiver requests, is made available for public review after submission.

For more information or to provide input on this application, please contact:

Academia del Pueblo Elementary at 602 258-4353. Your inquiry will be directed to the appropriate contact.

This notice is posted on our school website and has been shared through our official communication channels, including parent alerts and social media.
