While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages; but ultimately, parents/guardians and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

To that end, Academia Del Pueblo has adopted the following policy:

If there is an immediate threat or hazard on or near the campus, the school will initiate a LOCKDOWN. A parent alert will be sent to parents notifying them of the lockdown. PLEASE DO NOT CALL THE SCHOOL OFFICE.

## Attendance

Regular and timely attendance is a determining factor in educational success. Critical academic information is lost each time a student is out of the classroom. For this reason, Academia Del Pueblo believes all students should be in school every day, unless there is a valid reason for an absence, such as those related to medical or religious absences.

Further, Academia Del Pueblo values the involvement of parents/guardians in the academic process and encourages ongoing communication between home and school, particularly regarding attendance. School staff will make every attempt to assist families in addressing attendance concerns. Arizona Revised Statutes 15-802 and 15-803, however, firmly place the responsibility for attendance on a child's parents/guardians. Arizona State Law (A.R.S. § 15-802 and 15-803) states that every person who has custody of a child between the ages of six and 16 years shall make sure the child attends school for the full-time school is in session.

### ATTENDANCE REVIEW PROCESS

Pursuant to Arizona Revised Statutes (ARS) – Title 15 Education – Section 15-803, School Attendance, Section B. – “A child who is habitually truant, or who has excessive absences may be adjudicated an incorrigible child as defined in section 8-201. Absences may be considered excessive when the number of absent days exceeds ten per cent of the number of required attendance days prescribed in section 15- 802, subsection B, paragraph 1.”

In accordance with ARS 15-803, Academia del Pueblo employs an Attendance Review Process. When a student reaches a total of eighteen (18) unverified period absences in any class, per semester, they are subject to the Attendance Review Process. The outcome of the Attendance Review may result in failure of class or retention of school year in which the student has accrued thirteen (18) unverified absences.

#### 1. TRUANCY LAWS

Truancy is against the law in Arizona. The law is designed to enhance the opportunity for students to receive the maximum benefit of an education. A.R.S. §15-802; A.R.S. §15-803; A.R.S. §15-901

- • The parent/guardian of a person between the ages of 6-16 must enroll the child in school.
- • If the parent/guardian choose(s) a private or home school setting, an affidavit must be submitted to the County School Superintendent within 30 days.
- • “Ditching” one or multiple classes is considered being truant. Failure to attend school regularly could mean fines, community service, counseling and/or revoking driving privileges.
- • Failure to comply with A.R.S. 15-803 may result in student and/or parent/guardian being cited through Maricopa County Court Unified Truancy Suppression (C.U.T.S.) program.

**Tardiness: Students are tardy after 8:00 a.m.** It is a disruption to the orderly beginning of the student's day, as well as that of classmates. **Parents will need to stop by the school office to sign in the tardy book and for student to pick up a late pass. Students without a late pass will not be admitted to class.**

**Excused Absence:** Upon returning to school after an absence, each student is required to bring a written note, signed and dated, to the teacher stating the reason for the absence. The school accepts a written note, or a phone call from a parent. **PLEASE NOTE: parents MUST call to excuse the absence no MORE THAN ONE (1) WEEK after the absence.** Lawful absences established by state law (A.R.S 15-803.) are as follows:

- Death in the family
- Illness of the student
- Court summons
- Hazardous weather conditions that would endanger the health or safety of the student when in transit to and from school

- Observance of a religious holiday
- State emergency
- Other emergency or circumstance that, in the judgment of the principal or designee, constitutes a good and sufficient cause for absence from school

If a student is absent 10% of the school days (excused or unexcused), the school may require a note from a medical professional before excusing any further absences and may also file a truancy petition with Maricopa County Juvenile Court.

ADP's attendance steps are as follows:

**Step 1: Parent Notification (1st Unexcused Absence)**

- Parents/guardians are notified after the student's first unexcused absence.
- The importance of attendance is reinforced, and any immediate concerns are addressed.

**Step 2: Parent Conference (2nd Unexcused Absence in a Month)**

- A conference is scheduled with parents/guardians to discuss attendance concerns.
- The goal is to identify any barriers preventing attendance and offer support or resources.

**Step 3: Attendance Plan Implementation (Ongoing Absences)**

- The student, parents, and school staff participate in a supervised attendance plan.
- The plan includes specific strategies, interventions, and expectations to improve attendance.

**Step 4: Attendance Analysis & Additional Conferences**

- Parents/guardians are required to attend conferences to analyze the root causes of absences.
- The school may involve counselors, social workers, or other support services to assist the family.

**Step 5: Escalation & Further Action**

- If unexcused absences continue despite interventions, further actions may be taken, such as:
- Referral to school administration.
- Possible loss of privileges or extracurricular participation.
- Legal intervention

Unexcused Absence: An absence will be classified as unexcused if a student is absent from class, assembly, or one or more periods of the school day, and such absence and/or the school was not notified by the student's parent(s)/guardian(s). An unexcused absence may become truancy.

**Early Departures**

**The school day ends at 2:20 p.m. or 12 noon on Wednesdays.** If you must pick up your child before this time, please inform the front office. Your child will be called to the office for early dismissal. The teacher will not release the student until notified by the office. All parents must go to the school office and sign the student out. No students are to be signed out (picked-up) between 2:20pm to-2:45p.m. Anyone picking up a student must be 18 years or older and their name must be in our system giving them permission to sign-out a student.

**Court Unified Truancy Suppression Program (CUTS)**

The CUTS program, administered by the division of Community Services under the direction of the Maricopa County Juvenile Probation Department, is a diversion program designed for juveniles who commit a first or second truancy offense and are willing to take responsibility for their behavior. CUTS consist of a probation officer, school official, parent and student coming together to address truancy.

The school administration team holds the right to determine whether to refer a student to the CUTS program. Students can or will be referred to the CUTS program after 18 EXCUSED or UNEXCUSED absences.

## Health and Medical Issues

Emergency Contacts: It is imperative that parents/guardians keep current email address, home, work, and emergency contact phone numbers on file with the school if their child is injured or becomes ill. Only first aid is administered to an injured student.

Chronic Illness form: If your child has a chronic illness that may prevent him/her to be absent from school multiple times, please contact the front office for a chronic illness form. This form must be filled out and accompanied with a signed note from a medical practitioner. **Must be updated yearly if necessary.**

Medications: Students are not to carry any medication to or from school. In the case of prescribed medicines that must be administered during the school day, there must be a written medication order from a licensed prescriber and a consent form (available from the school office) signed by the parent or guardian. The pharmacy should be asked to provide separate containers for school and home. For short-term prescriptions, the pharmacy label may be used in lieu of a licensed prescriber's order. Only the school office may give this medication to children. Please contact the school office for clarification on dispensing of medication in school if you have any questions. The school office is not responsible for dispensing medication.

Vision and Hearing: Children will receive an annual hearing and vision screening in certain grades according to state law and any student suspected of having a specific learning disability will be screened. If special hearing or vision concerns are detected, notices are sent to parents.

Immunizations: Students admitted to Academia del Pueblo must submit proof of immunizations to the school office unless the student is exempt under A.R.S. section 15-873.

Head Lice (pediculosis): Whenever parents or guardians detect head lice in their family, it is essential that the school office be alerted immediately, even if treatment has been undertaken already. This allows school personnel to alert all parents in the class, via a letter sent home. In this way, the spread of lice to others can be reduced. The school sends home information about treatment procedures that must be carried out in the home environment (e.g. inspection of heads, treatment of clothing, linens, and personal items). Head lice are a common yearly occurrence in schools since they are so easily transmitted. Precautions taken early can limit the spread. If active lice are present, per the CDC guidelines, the student will be sent home.

Participation in P.E Programs: The physical education program in the elementary school has, as its objective the physical, social-emotional, and intellectual development of children. Therefore, if a child can be in school, then he or she is expected to participate in school activities, including gym and recess. The only exception would be a written directive from the child's physician. If you have any questions, please call the school office at (602) 258-4353.

Birthday and class parties: Please see our updated visitor policy. In addition, ONLY STORE-BOUGHT FOOD allowed. Students are not allowed to bring outside food into the classroom, unless approved by classroom teacher.

## Enrollment, Registration and Placement

Registering a student: To be enrolled for kindergarten in Academia del Pueblo, students must be five years of age by September 1 of the year in which they enter kindergarten. They must be six by September 1 to enter first grade. However, for the 2024-2025 school year, ADP is allowing students turning 5 from September 2<sup>nd</sup> to September 30, to apply for Early Access (there are requirements for testing). For any student to register, we need a birth certificate (or other proof of date of birth), updated immunization records, and copy of previous report card are required (1<sup>st</sup> to 7<sup>th</sup> grades - to show completion of a grade).

Student Placement: The goal of the school is to create well-balanced class groupings by considering class size, balance of girls/boys, students' needs, academic performance, English Proficiency, learning styles, and peer relationships. Promotion and Retention: Grade level promotion will be based upon standards for each basic subject area as identified during the study. Recommendations for promotion or retention shall be consistent with the state academic standards and school-approved curricula. Retention of students is a process that is followed when the professional staff, in consultation with the parent, determines it is to be in the best interest of the student. Though primary grades are suggested as the most appropriate time, retention may be considered at any grade level. (A.R.S. 15-521)

## Home-to-School Connections & Communication

Communication between Staff and Parents/Guardians: Communication between school staff and families is of vital importance to children's education. If a parent or guardian wishes to speak with a teacher, he/she should send a note to the teacher or call the school (between 8:00 a.m. and 4:00 p.m.) to leave a message. Teachers will return messages as soon as possible.

Except in emergency or extenuating circumstances, writing or leaving a message is preferable to trying to speak with teachers at arrival or dismissal time, since teachers need to be attending to students as they start or end the school day. If there is information a teacher should be aware of (e.g. change in dismissal routine, an event or crisis at home that may be impacting a child), parents are encouraged to send in a note about the situation. Families may call the school by calling (602) 258-4353.

School Messenger and Absence Notification line: Families will receive school wide or classroom related messages via text or voice message. If your child is absent from school without a note or information from the parents, families will receive a text or voice message. Please have updated and active phone number on file in the front office.

Report Cards/Conferences: Progress reports are updated and can be by classroom teachers three times yearly for students in grade K-8. Final Report cards for students are given to parents/guardians at the end of the school year. It also includes special area grades such as physical education and computers.

Parent/Teacher Conferences: Academia Del Pueblo provides early release for parent-teacher conferences. Parent teacher conferences are scheduled via video conferencing or in person.

Visiting Classrooms: Please see updated visitor policy. If a parent or guardian needs to speak to a teacher, an appointment must be made first.

Use of Office Phone: Students may use the phone in the front office to call home, when needed.

## Behavior Expectations

### Positive Behavior at Academia del Pueblo

**Restorative Justice** – Restorative justice promotes a positive, orderly school environment. Students and all members of the school community can learn and practice self-discipline, empathy, and accountability. Restorative justice is an effective alternative to punitive responses to wrongdoing. Inspired by indigenous traditions, it brings together persons harmed with persons responsible for harm in a safe and respectful space, promoting dialogue, accountability, and a stronger sense of community. Restorative justice is a philosophical framework that can be applied in a variety of contexts -- the justice system, schools, families, communities, and others.

## **Special Education – Individuals with Disabilities Education Act (IDEA)**

Academia del Pueblo Special Education department oversees programming for students with disabilities and maintains compliance with the Individuals with Disabilities Education Act (IDEA). Academia Del Pueblo provides a free, appropriate, public education (FAPE) to students with disabilities in accordance with state and federal statutes and regulations.

To qualify as a student with a disability under IDEA, a child must be of school age, in need of specially-designed instruction, and must meet the eligibility criteria for one or more of the following physical or mental disabilities, as set forth in the Arizona Revised Statutes: autism; developmental delay; emotional disability; hearing impairment; other health impairment; specific learning disability; mild, moderate, or severe intellectual disability; multiple disabilities; multiple disabilities with severe sensory impairment; orthopedic impairment; speech/language; impairment; traumatic brain injury; and visual impairment. Academia Del Pueblo engages in identification procedures to ensure that eligible students receive FAPE, including special education and related services, individualized to meet student needs. To identify students who may be eligible for special education, various screening activities are conducted on an ongoing basis. These screening activities include a review of data (cumulative records, enrollment records, health records, report cards, and achievement test scores), hearing and vision screenings, and speech/language screenings. Students who struggle academically or behaviorally may be referred to the school's Intervention Team for pre-referral interventions. When screening or pre-referral intervention results suggest that a student may have a disability, the school's special education team seeks parental consent to conduct a multidisciplinary evaluation. Parents who suspect their child may have a disability may request a multidisciplinary evaluation by submitting a request to the school psychologist or administration.

When a student is identified as eligible for special education, the school's Special Education Multidisciplinary Team will develop an Individualized Education Plan (IEP) in order to identify the student's needs for special education and related services. At least annually, the student's IEP will be reviewed and revised. At least triennially, the student will be re-evaluated to determine if he/she still meets the eligibility criteria as a student with a disability in need of specially designed instruction.

Academia Del Pueblo provides special education services to all eligible students in the Least Restrictive Environment and in alignment with their individual needs. Academia Del Pueblo provides specially designed instruction in academic and behavioral strategies, itinerant vision and hearing services, speech therapy services, occupational therapy services, physical therapy services, counseling services, and other required Related Services for the student to benefit from the special education program.
